CAMP UPDATES

Camp Deerpark, Westbrookville, NY, www.campdeerpark.org
The first week of January Camp Deerpark hosted Peace Camp in collaboration with Mennonite Central Committee. Twenty-Four young adults from NYC, across the country, and around the world gathered here at camp for a week of "Peace for the Weary." One of the invitation criteria to Peace Camp is that participants come from urban centers of five hundred thousand or more. Our goal was to have young adults go back to their city equipped with tools for understanding trauma and strategies for self-care and healing through the lens of restorative justice.

It was an intense week that asked a lot from the participants.

AMBS

Pastors & Leaders Conference
"Reimagining Ministry"
February 13-16, 2023

Anabaptist Mennonite Biblical Seminary (AMBS) Pastors & Leaders is an annual gathering of pastors and those who hold leadership roles in local congregations, chaplaincy contexts, regional churches, denominational settings, not-for-profits and community organizations.

How do we think about our ministry in this time of collective trauma stemming from the coronavirus pandemic, racial injustice, economic uncertainty and rising polarization? Our world has changed in the past three years, and so has the church.

At this conference, we will give ideas and practices to help nurture resilience, compassion and hope in ourselves and our congregations by learning from Jesus' ministry.
